EXPERIENCE

The CapStreet Group

Private Equity Summer Intern

Houston, TX

June 2026 – July 2026

- Conducted GLG expert network calls with senior industry professionals across target sectors to build sector knowledge and inform diligence on prospective investments across the firm's active portfolio and adjacent industries.
- Built a capstone investment project from the ground up and presented the thesis, supporting analysis, and final investment recommendation to the entire deal team and senior investment professionals across the firm.

Bank of America

Student Leader

Houston, TX

July 2026 – August 2026

- Selected (~5% acceptance rate) for a national leadership program including a summit at company headquarters in Charlotte.

BlackGen Capital

Vice President of Finance

New York, NY

August 2025 – Present

- Oversaw all financial operations for the chapter, managing budgeting, expense approvals, and financial reporting while ensuring compliance with National Board and Columbia University requirements.
- Conducted comprehensive equity research across multiple sectors, building detailed valuation models including DCF, comparable companies, and precedent transactions to support and pressure test investment theses.

Mergersight

M&A Analyst

New York, NY

August 2025 – Present

- Conducted detailed valuation and strategic analysis on 4 M&A transactions, applying DCF, comparable company analysis, and precedent transaction models to assess target synergies, deal premiums, and value creation.
- Produced 3 investment pitch decks presenting clear, well supported buy and sell recommendations and strategic rationale to the research team.

BLK Capital Management

Equity Trainee

New York, NY

January 2026 – Present

- Selected (~8% acceptance rate) to join a national investment fund focused on fundamental equity research, valuation, and financial modeling across public markets.
- Completed a structured investment education series covering accounting, valuation, financial statement analysis, portfolio construction, and fundamental equity research methods.

LEADERSHIP & PROFESSIONAL DEVELOPMENT

Black Student Union

Founder and President

Houston, TX

August 2023 – May 2025

- Founded the school's first Black Student Union and grew membership to ~80% of Black students through targeted outreach; organized 5 panels and events with 120+ attendees while coordinating speakers, logistics, and approvals from school leadership.

School of Hope Initiative: Northern Ethiopia School Fundraiser

Founder

Houston, TX

July 2023 – Present

- Founded the Schools of Hope Initiative, an international fundraising campaign coordinating donors across the U.S. and Ethiopia to rebuild educational infrastructure and deliver learning resources to communities recovering from conflict.
- Raised \$3,000+ from 20+ donors to purchase and deliver desktop computers to a school affected by conflict; improved digital literacy for 200+ students and earned formal recognition from the Ethiopia Ministry of Education.

SEO Career

SEO EDGE Participant

Houston, TX

February 2026 – Present

- Receive ongoing coaching and online instruction to achieve targeted interview, technical, and professional development goals ahead of recruiting.

TECHNICAL PROJECT

Trading Algorithm

- Built a Python based algorithmic trading system spanning ~10,000 publicly listed equities, leveraging SEC EDGAR ticker datasets and Yahoo Finance to fetch, process, and analyze market and financial data at scale.

LLM Router

- Developed a modular Python package providing a unified interface to multiple large language model providers, standardizing requests and responses across OpenAI, Anthropic, and future backends through a single consistent response format.

INTERESTS

Interests: Football (Texans), Long Distance Running, Cold Brew Coffee, Manchester City, Matcha, Soccer, 80's Music

Abel Alemayehu

aalemayehu@uchicago.edu | 901-279-7943 | [linkedin.com/in/abelalemayehu](https://www.linkedin.com/in/abelalemayehu)

Expected Graduation: Jun 2029

Coursework: Multivariable Calculus, Systems Programming, Macroeconomics, Financial Accounting

Activities: Alpha Kappa Psi, Trott Business Program, BlackGen Capital, Rogers Scholars Program in Finance, AI@UChicago

WORK EXPERIENCE

MacArthur Foundation

Chicago, IL

Investment Intern

Jun 2026-Aug 2026

- Evaluated co-investment opportunities and fund re-ups across PE and real asset while assessing risk for a \$9.6B endowment
- Conducted due diligence on alternative investment managers assessing IRR, TVPI, DPI, and benchmark rankings
- Monitored 200+ manager relationships across 10 asset classes identifying performance and strategy drift signals

Handshake

Chicago, IL (Remote)

AI Trainer

Jan 2026–Present

- Evaluate and refine AI model outputs across student-facing workflows providing structured feedback to drive improvement
- Develop domain-specific test cases and labeling guidelines that improve model accuracy for real-world applications
- Collaborate with cross-functional teams to document edge cases, failure patterns, and long-term model behavior insights

ZNotes

London, UK (Remote)

Social Impact Analyst

Feb 2025–May 2025

- Compiled and analyzed cross-platform impact data to produce clear, actionable reports for ZNotes Growth Lead team
- Directly contributed to a measurable 20% increase in targeted education that expanded access to educational resources
- Integrated Social Return on Investment (SROI) frameworks into departmental planning, enabling data-driven decisions

Ethiopian Orthodox Tewahado Church

Memphis, TN

Computer Science Teacher

Jan 2024–May 2024

- Established a computer science teaching initiative, introducing foundational programming concepts to students aged 10-16
- Designed lessons on topics such as basic coding, logic, and problem-solving, leading to a 88% increase in proficiency
- Reached 35 participants and inspired ongoing interest in technology, with 28 students enrolling in advanced coding courses

LEADERSHIP & PROFESSIONAL DEVELOPMENT

CodePath

Chicago, IL

Foundations of AI Engineering

Jan 2026–Mar 2026

- Gained foundational experience in AI engineering, including LLM behavior, model evaluation, and ethical considerations
- Developed small-scale AI applications and workflows to solve practical problems and collaborated with peers on projects
- Applied theoretical AI concepts to hands-on engineering challenges, gaining practical exposure to prompt design, model limitations, and the gap between how AI systems are built versus how they behave in production and deployment

BlackGen Capital

Chicago, IL

Analyst

Oct 2025–Dec 2025

- Built skills in financial modeling, valuation, and equity research through weekly education sessions and milestone exams
- Collaborated with analysts to develop investment theses and present findings to the organization in national competition
- Analyzed real companies across sectors to build the analytical foundation needed to evaluate real business performance

Technology Student Association

Memphis, TN

Robotics Team Lead

Aug 2024–May 2025

- Led a robotics team through the full design cycle, coordinating programming and testing for competition readiness
- Built robotic systems using Arduino and C++, developing hands-on experience with sensors and task automation
- Designed and fabricated custom physical robotic components using CAD software and 3D printing technology

SKILLS & INTERESTS

Software: Excel, Python, Java, C, SQL

Language: Amharic

Interests: Pickleball, Rock Climbing, DJing, Billiards, Chess

EDUCATION

Rutgers University

Bachelor of Science in Finance; Honors College

- Cumulative GPA: 3.87/4.00

Newark, New Jersey

Expected May 2029

PROFESSIONAL EXPERIENCE

Washington Park Research Group

Macro Research Analyst, Fixed Income Sector

February 2026 – Present

Newark, New Jersey

- Conduct macro research on Treasury yields, term premiums, inflation, and global capital flows for the team's quarterly outlook report.
- Owined the Q1 2026 Treasury section, publishing a short-duration, up-in-quality thesis driven by foreign capital reallocation and rising term premiums.
- Flagged the Strait of Hormuz closure as the key forward risk for global oil, fertilizer, and Q3 food inflation, informing team positioning.

Independent Sneaker Reselling Business

Founder and Operator

September 2021 – June 2024

Newark, New Jersey

- Founded and scaled a sneaker resale business from \$125 in starting capital to \$15,000+ in revenue across 200+ units sold.
- Managed a live inventory of 50+ SKUs, tracking pricing and demand across GOAT, StockX, and Flight Club to time buy, hold, and sell decisions.
- Maintained financial records and ran profit-margin analysis on each SKU to guide sourcing, sizing, and inventory turnover decisions.

LEADERSHIP AND PROFESSIONAL DEVELOPMENT

Self-Funded Equity Portfolio

Individual Investor

June 2025 – Present

Newark, New Jersey

- Built and manage a self-funded \$20K concentrated long-only equity portfolio using independent fundamental research.
- Construct positions guided by company-specific theses developed from earnings calls, 10-K and 10-Q filings, and macro analysis.
- Track performance against the S&P 500 and refine position sizing, conviction levels, and entry and exit decisions.

BLK Capital Management

Equity Research Trainee

January 2026 – Present

Remote

- Selected for a competitive national equity research training program preparing students for buy-side roles at top asset managers.
- Hand-picked for the invitation-only PGIM Excursion at the 2026 BLK Spring Conference, meeting with portfolio managers across fixed income, real estate, and operations.
- Build foundational equity research skills through structured coursework on fundamental analysis, valuation, and industry research.

Raider Capital Student Managed Fund

Junior Analyst

March 2026 – Present

Newark, New Jersey

- Build three-statement financial models with bear, base, and bull scenarios for long equity pitches alongside experienced senior analysts.
- Contribute to the assumptions tab, income statement, and balance sheet build, sourcing all inputs directly from 10-K filings and earnings calls.
- Present investment theses and defend assumptions, valuation, and methodology through live Q&A with senior analysts and fund leadership.

Fidelity Discovering Investors Program

Selected Participant

March 2026 – Present

Remote

- Selected for Fidelity's competitive research program covering Equity Research, Fixed Income, High Income, and Strategic Advisers divisions.
- Completed equity research case studies across each division, building investment theses and applying fundamental analysis to evaluate companies.

SKILLS AND AFFILIATIONS

Technical Skills: Excel, Microsoft Office Suite, Basic SQL, Bloomberg Terminal

Affiliations: Rutgers Honors College, Rutgers Finance Society, MLT Ascend Scholar

Interests: Horror and Dystopian Movies, Nature Walks, Sneaker Culture, Weightlifting

Robell Ephrem

(713) 815-1689 | rge2113@columbia.edu | in/robellephrem | New York, NY

EDUCATION

Columbia University – Fu Foundation School of Engineering and Applied Science Expected May 2029
B.S. Operations Research: Financial Engineering, Minor in Earth and Environmental Engineering New York, NY
Cumulative GPA: 3.91/4.0
Coursework: Accounting & Finance, Probability for Engineers, Linear Algebra, Data Engineering, Data Structures & Algorithms
Honors: Ron Brown Signature Scholar, Jack Kent Cooke Scholar, Gates Millennium Scholar, U.S. Gold Congressional Medal, SAT: 1580/1600

EXPERIENCE

Amazon May 2026 - Present
Software Development Engineer Seattle, WA

- Deploying GenAI metadata enrichment microservice across Amazon Customer Service’s contact intelligence infrastructure, processing 8M+ monthly contacts across 39 countries and reducing agent handle time by 11% with projected \$4.2M impact.
- Architected a demand-and-capacity system that lets support contacts leave a saturated queue and re-enter in controlled batches as wait times normalize, using dual-threshold hysteresis to recover 3% that would otherwise be lost to long holds.

Abyssinian Investments Jan 2026 – Present
Managing Partner | Founder Houston, TX

- Managing a \$20K+ AUM long-only equity fund focused on U.S. infrastructure (digital, energy, and tech) on a value-oriented research platform, allocating 50% of realized returns into zero-interest microloans for Ethiopian-owned businesses in Houston.
- Built upon F.L.I.N., a youth financial-literacy initiative addressing the gaps in informal credit systems like equb through an interactive workbook, generating \$10K+ in revenue and reaching 1K+ students across 5+ community partnerships.

BlackGen Capital Oct 2025 – Present
Equity Research Analyst New York, NY

- Conducting long/short equity research on the TMT sector for a hedge fund managing \$120k AUM, performing valuation analyses and presenting strategic recommendations that guide portfolio positioning and investment strategy.
- Building detailed company and sector models, incorporating earnings forecasts, catalyst tracking, and downside risk analysis to support investment theses, pitch ideas, and 2–3 internal buy-side research reports per coverage cycle.

Houston Methodist DeBakey Heart Center Jan 2025 – Aug 2025
Cardiovascular Researcher Houston, TX

- Authored a case study on a rare TNNC1 cardiomyopathy variant, synthesizing 10+ years of longitudinal EMR data across a father-son pair through end-stage heart failure, 4+ mechanical circulatory support devices, and 3 organ transplants.
- Identified a shared coagulopathy pattern underweighted in prior TNNC1 literature, contributing family-segregation evidence toward potential reclassification of a Variant of Uncertain Significance logged in fewer than 15 documented carriers worldwide.

LEADERSHIP

MELA Institute May 2026 – Present
Founding Engineer | Co-Founder San Francisco, CA

- Building an educational nonprofit expanding capital-markets access for Ethiopian youth, engineering a financial-literacy platform and 11-module curriculum delivering core investing education to 10K+ students in English and Amharic.
- Partnering with 5+ financial institutions, including the Ethiopian Capital Market Authority (ECMA) and Ethiopian Securities Exchange (ESX), to drive curriculum pilots and partnerships across 15+ secondary schools and universities.

Columbia University Black Pre-Professional Society Sep 2025 – Present
Vice President New York, NY

- Coordinating professional development events across the Tech, Finance, and Graduate verticals, securing 22+ industry speakers and 5 corporate sponsorships to fund programming for 200+ students across Columbia’s four undergraduate schools.
- Spearheaded recruitment and leadership development, growing active membership 40% to 90+ students while launching 5+ cross-organizational partnerships with peer pre-professional clubs and alumni networks.

Stream of Hope International, Inc. Apr 2024 – Present
Strategic Initiatives Lead Houston, TX

- Supporting operational planning and resource allocation across a portfolio of 45 clean-water infrastructure projects spanning 7 regions in Ethiopia, helping expand sustainable water access to 22,000+ individuals through spring-expansion initiatives.
- Coordinating fundraising initiatives, donor engagement, and community outreach efforts, contributing to the total \$223K+ raised through annual gala campaigns, donor stewardship, and grassroots fundraising efforts.

ADDITIONAL INFORMATION

Skills: Python, SQL, Java, VBA, Financial Modeling (DCF, LBO, Comps), FactSet, Excel, PowerPoint, Amharic (Native)
Affiliations: Alpha Kappa Psi, BLK Foundation Corp, BlackGen Capital, Colorstack, NSBE, EESA, Club Basketball
Interests: NBA (Houston Rockets), NCAA (Oregon Ducks), Weightlifting, Pickleball, Chess, R&B, Ethiopian Art

- Interests: Hot Wheels Collecting, Motorsports, Tabletop Gaming

AUGUSTIN TANOH

202-650-2318 | augustin.tanoh@yale.edu | www.linkedin.com/in/augustin-tanoh-812556346

EDUCATION

Yale University | Cumulative GPA 3.9
Bachelor of Arts: Global Affairs and Economics

New Haven, CT
Expected: May 2029

Lycée Français Blaise Pascal | Cumulative GPA 4.0 | French Baccalaureate with High Honors

Abidjan, Côte d'Ivoire
June 2025

WORK EXPERIENCE

Edmond de Rothschild | *Summer Intern* | Paris, France

June 2026 - July 2026

- Rotated across the Sales and European Equities teams, gaining exposure to institutional client relationship management and equity portfolio strategy within a €180B+ AUM platform
- Conducted competitive analysis on asset management product offerings and supported pitch preparation for institutional client meetings, contributing to business development efforts targeting French provident institutions and insurance groups
- Synthesized macroeconomic and sector-level research to support portfolio managers on European equity mandates, translating market intelligence into client-facing materials and internal briefing notes

JAiD Mentoring | *CEO* | Abidjan, Côte d'Ivoire

February 2025 - Present

- Recruited and trained a team of mentors from top 10 global universities, designing onboarding processes and quality standards.
- Led marketing and social media strategy, growing JAiD's online presence and attracting students across 5 countries.
- Established partnerships with external organizations to provide students with additional resources and opportunities beyond mentoring.

Foxtrot International | *Intern* | Abidjan, Côte d'Ivoire

February 2022 - March 2022

- Selected to rotate across six core divisions (Geoscience, IT, Drilling, Production, Projects & Works), gaining end-to-end exposure to large-scale natural gas operations and complex industrial systems.
- Worked with field engineers on production sites to understand gas extraction and processing workflows.
- Supported operational tasks across teams, developing analytical and problem-solving skills in an industrial environment.

LEADERSHIP AND PROFESSIONAL DEVELOPMENT

Yale African Student Association | *Treasurer* | New Haven, CT

October 2025 - Present

- Manage and allocate the organization's budget, overseeing financial planning, expense tracking, and funding distribution to support cultural, social, and large-scale campus events.
- Develop detailed budgets and financial projections for major initiatives, ensuring cost efficiency, transparency, and responsible use of organizational and university funds.
- Coordinate with executive board and university partners to secure funding, process reimbursements, and maintain accurate financial records, strengthening financial governance and operational execution.

BLK Capital Management | *Equity Research Analyst* | New Haven, CT

October 2025 - Present

- Conducted fundamental equity research and built financial models (DCF, comps, and scenario analysis) to evaluate investment opportunities across multiple sectors, presenting stock pitches to senior analysts and portfolio managers.
- Analyzed company financial statements, industry trends, and macroeconomic indicators to generate actionable investment insights, contributing to portfolio strategy and investment decision-making.
- Collaborated within a sector team to produce research reports and valuation memos, strengthening skills in financial modeling, market analysis, and investment thesis development.

Yale Model African Union (YMAU) | *Chair* | New Haven, CT

October 2025 - Present

- Direct the first French-language committee in YMAU, overseeing agenda development, committee operations, and delegate preparation.
- Lead francophone outreach across Africa to recruit high-school delegations and expand participation in the annual conference.

La Fondation d'Augustin | *Volunteer* | Abidjan, Côte d'Ivoire

May 2019 - Present

- Led fundraising campaign that raised \$60,000 to support a child's kidney transplant, mobilizing community donors and international networks.
- Contributed to ongoing community health and education initiatives, supporting the foundation's mission through event coordination and volunteer mobilization.

PROFESSIONAL EXPERIENCE

CFG Partners | Miami, FL

Jun 2026 – Aug 2026

Incoming Debt Capital Markets & Securitization Summer Analyst

Deloitte & Touche LLP | Miami, FL

Jan 2026 – Apr 2026

Valuation Winter Analyst – Audit & Assurance

- Supported 53 audits by valuing ~150 esoteric derivatives; assessed accuracy of fair values included in 10-Ks
- Completed business valuations for 32 audits; created valuation memos that included comparable valuation analysis, precedent transactions analysis, DCF – base and bull case, and benchmarked using a football field
- Validated internal financial data used to train the proprietary Audit and Assurance AI large language model

Sound Royalties (Music Finance Fund) | West Palm, FL

Jun 2024 – Jan 2026

Financial Analyst – Asset-Based Lending

- Constructed models to determine value of music catalogues, discounting future cash flows and factoring in cost of capital and credit risk; supported executed investments that directly increased AUM by \$50M in 2025
- Identified music catalogues not yet monetized on Asian DSPs, including Tencent Music and NetEase Cloud Music; pitched an expanded distribution strategy; drove ~70% earnings growth across 60 targeted catalogues
- Automated earnings data consolidation via SQL; enabling analysts to complete ~12 more projections weekly

Nialta | Alexandria, VA

May 2025 – Aug 2025

Private Equity Summer Analyst – LMM Private Equity Fund

- Built DCF models and comps analyses for 15 target companies covering business, and tech services sectors
- Engineered sourcing pipeline using Manta data with Python scripts; identified 250+ DMV area businesses
- Screened 30+ brokerage sites and cultivated ~50 broker relationships to increase CIM received by 120%

LEADERSHIP AND EXTRACURRICULARS

Code and Care | Miami, FL

Feb 2025 – Present

Founder

- Founded a nonprofit organization providing essential resources to underserved international communities
- Organized relief drive following Jet Set roof collapse in DR; distributed 400lbs of materials to 43 families

HeadStart Fellowship | New York, NY

Aug 2025 – Present

Head of General Education & Fall 2025 Fellow

- Facilitated career readiness programming for high-achieving students from non-traditional backgrounds
- Orchestrated and led a 16-week professional development course for 60 fellows; resulting in 32 industry professionals and sponsor presentations that covered networking, recruiting, and internships readiness
- Selected as one of 66 fellows from 2K+ applicants for a competitive mentorship program backed by Cambridge Associates, D. E. Shaw, General Atlantic, Insight Partners, Rothschild & Co., and Sixth Street

Phoenician Investment Fund | Miami, FL

Sep 2025 – Present

Director of Capital Markets & Sector Analyst

- Instructed a 13-week capital markets curriculum to 102 student analysts and signed two corporate sponsors
- Pitched 52% downside on Hims & Hers Health (HIMS) citing GLP-1 regulatory pressure, slowing subscriber growth, and declining branded medication economics; shares declined 55% in Jan '26 - Feb '26 pitch period

BLK Capital Management | New York, NY

Aug 2025 – Present

Equity Research Analyst – L/S Equity Fund

- Pitched 25% upside on UnitedHealth Group (UNH) after Q4 24's earnings citing overreaction to elevated Medicare Advantage costs, and Optum earnings growth; shares rose 29% over the Feb '26 - May '26 period

SKILLS & INTERESTS

Skills: Haitian Creole (Native), French (Conversational), Bloomberg, Python, SQL, Microsoft Office Suite

Interests: Ironman Training, Pet Husky Luna, Football Athlete, R&B Music (Giveon, Kehlani), Art (Basquiat)

- One of 8 students from Canada selected to be an analyst at a student-run long/short equity hedge fund (\$200k AUM)
- Built a full stock pitch on IQVIA, including a company overview, risks and mitigants, competitive analysis, and a detailed 5-year operating model, resulting in a formal buy recommendation presented to 4 portfolio managers

Western Management Consulting Club

London, ON

Consulting Analyst

Oct. 2025 – Present

- Sourced and screened 100+ private companies across different services for an investment bank, conducting market mapping, founder outreach, and financial due diligence, leading to 6 companies progressing into active pitch preparation
- Led development of cost optimization presentation for an investment bank, outlining efficiency initiatives projected to lower non-compensation expenses by 12%

ADDITIONAL INFORMATION

- **Languages:** English (Native); Russian (Conversational Proficiency); Spanish (Limited Conversational Proficiency)
- **Interests:** Weightlifting (Toronto Athletic Club), Chipotle, World Geography, Travel (Saint Lucia), Volleyball

ELHADJ TOURE

360-556-2899 | telhadj3.0@gmail.com | linkedin.com/in/elhadjtoure

EDUCATION

University of Washington (UW) | Cumulative GPA: 3.6

Seattle, WA

Bachelor of Science: Informatics & Economics

June 2029

Honors & Programs: Ron Brown Scholar Program, Lavin Entrepreneurship Program, Goldman Sachs Possibilities Series

PROFESSIONAL EXPERIENCE

Orange | *Product Management Intern (Incoming), Orange Money* | Abidjan, Côte d'Ivoire

June 2026

- Selected as an incoming intern in the Orange Money division to support the “Max It” super-app, a platform delivering mobile banking, micro-finance, and merchant payments to 20 million users across African markets
- Tasked with conducting market research and user data analysis to help the product team prioritize features, with the goal of driving engagement and expanding digital payment adoption across the region

Caprae Capital Partners | *Private Equity Analyst Intern* | Remote

Mar 2026 – May 2026

- Analyzed cold-call activity data and found calls placed on Thursdays booked meetings at a higher rate than other weekdays; recommended shifting outreach hours toward that window to lift meeting volume
- Updated the monthly credit market deck with current macro data, building charts on JOLTS, CPI, high-yield credit spreads, and Fed funds expectations to support the firm’s market commentary
- Sourced qualified B2B targets each week across PE-backed firms and several industries, building a duplicate-check process that screened contacts against a do-not-call database before outreach

BLK Capital Management | *Equity Research Analyst* | Remote

Sep 2025 – Mar 2026

- Built a model for Taiwan Semiconductor, forecasting revenue and linking it through to earnings and free cash flow to assess the company’s standalone value and translate that analysis into a clear investment view
- Evaluated the demand and risk drivers behind the forecast, weighing advanced-node (3nm / 2nm) demand, customer concentration, and geopolitical exposure to pressure-test assumptions and inform the team’s sector view
- Advanced through a competitive 12-week equity research program covering accounting fundamentals, DCF, and comparable company analysis, presenting findings across multiple sectors in team investment discussions

StreetSmart | *Business Development Intern* | San Francisco, CA

Dec 2025 – Mar 2026

- Designed a data-driven outreach model to expand coverage of university finance organizations, driving 3 new institutional partnerships and 10% growth in the company’s campus network across 2 regions (West & Midwest)
- Audited prospect records in CRM and rolled out a lead-scoring system that prioritized higher-value outreach, cutting time spent on low-fit contacts and improving the team’s conversion efficiency by directing the team toward stronger leads

LEADERSHIP & ACTIVITIES

Investment Banking Accelerator (UWIBA) | *Member, Recruitment Track* | Seattle, WA

Mar 2026 – Present

- Earned place in selective, mentorship-based program built around investment banking recruiting, completing weekly coursework in accounting, valuation, and engaging with a network of UW alumni across investment banks
- Practiced technical and behavioral interviews through mock sessions and case studies modeled on real interviews

UW Information Consulting Group | *Technology Strategist* | Seattle, WA

May 2026 – Present

- Deliver student consulting engagements, scoping client technology problems and translating research and analysis into prioritized, actionable recommendations presented through written reports and slide decks

UW Investment Group | *Portfolio Management Analyst* | Seattle, WA

Mar 2026 – Jun 2026

- Co-managed two real-money portfolios totaling roughly \$80,000, applying risk measures, to evaluate risk-adjusted returns and guide position sizing and allocation across sectors and individual holdings
- Pitched an overweight position in Nvidia over Broadcom to the group, comparing their business models, key risks and valuations to justify favoring Nvidia and present the thesis to the team in detail

Toure Web Design | *Founder* | Lacey, WA

May 2025 – Present

- Founded and run a web design business serving 8 local small-business clients, owning scoping, design, build, and client communication end to end to fund education while building real entrepreneurial and project-management skills

SKILLS, CERTIFICATIONS & INTERESTS

Skills: Microsoft Excel (Proficient), PowerPoint, Office 365; R / RStudio, Mandingo (Native), French (Intermediate)

Certifications: Financeable Accounting Foundations, Financeable Valuation Fundamentals, LinkedIn R for Data Science

Interests: FC Barcelona and weekend rec-league soccer, soccer refereeing, German cars (first ever museum I visited was the MB museum in Stuttgart), rock climbing, cooking West African food
